

# JOHNSON CONTROLS

## REQUIREMENTS

Johnson Controls, the marketer of the Personal Environmental Modules (PEM units), needed a coordination partner to help facilitate the successful installation of their PEM units nationwide.

## RECOMMENDATIONS

By partnering with Schroeder Solutions, Johnson Controls was able to coordinate the receiving and installation of PEM units throughout the country. To date, Schroeder Solutions has installed PEM units in 35 states.

## PROJECT SHOWCASE

- Personal Environment Modules
- Nationwide Installation
- Project Management

**Client:**  
Johnson Controls

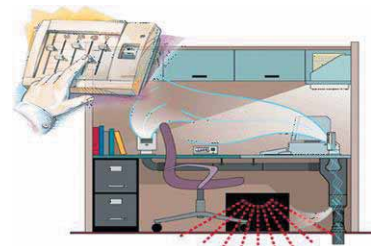

**Location:**  
Milwaukee, WI  
and Nationwide
