

# WASHINGTON MUTUAL, INC.

## REQUIREMENTS

A relatively sudden expansion of their workforce led Washington Mutual, Inc. to seek the assistance of Integrated Office Solutions and Schroeder Installation Systems. The combined efforts of the two companies allowed Washington Mutual to house an additional 71 employees in their existing works space.

## RECOMMENDATIONS

The team at Integrated Office Solutions provided space planning services to evaluate their materials and labor requirements. The recommendations included the use of leased workstations to augment their existing furnishings. The Schroeder Installation team was able to effectively manage the installation to ensure the project was completed in less than three weeks.
